

## Fire Alarm Systems

(Updated Exams Release Date: March 25, 2024)

### Level II Selected General References

Candidates are permitted to bring only the following references into the test center:

<u>Title</u>	<u>Edition*</u>
<sup>1</sup> NFPA 72	2022
<sup>2</sup> NFPA 70	2020
<sup>3</sup> IBC	2021

\*The test questions are based on the standard editions listed above; therefore, candidates are strongly urged to bring these editions to the exam. Note: candidates may bring older or newer editions—instead of the editions listed above—at their own risk.

Note: An NFPA Handbook will NOT be accepted as a substitute for any of the titles listed above.

Note: References must be bound or secured in a three-ring binder with a title page. They may have highlighted text and self-adhesive index tabs or dividers, however they must be permanently attached. No other additions or modifications to the references are allowed. Handwritten notes are NOT permitted. References with loose paper or pages and freestanding tabs (e.g., repositionable sticky notes/tabs of any kind) are not permitted into the testing centers.

---

During the exam, the following titles will be available to candidates on-screen:

<u>Title</u>
NFPA 72 (2022): National Fire Alarm and Signaling Code, National Fire Protection Association (NFPA)
NFPA 70 (2020): National Electrical Code, National Fire Protection Association (NFPA)

\*Test questions are based on the edition listed above. This edition will be available to candidates during the exam in PDF format.

---

In addition to the references listed above, the following publications can provide some of the job knowledge required by a fire alarm systems technician. While these books may help you prepare for the exam, they are NOT permitted in the test center.

<sup>4</sup>OSHA 29 CFR 1910: Occupational Safety and Health Standards, Occupational Safety and Health Administration (OSHA)

<sup>5</sup>Ugly's Electrical References. (2020), George V. Hart, Burlison Distributing Group

<sup>6</sup>OSHA 29 CFR 1926: Safety and Health Regulations for Construction, Occupational Safety and Health Administration (OSHA)

<sup>7</sup>NASCLA Contractor's Guide to Business, Law and Project Management (Basic 13th edition), National Association of State Contractors Licensing Agencies (NASCLA)

<sup>8</sup>AIA Document A201: General Conditions of the Contract for Construction, (2017) The American Institute of Architects
