Electrical Power Testing

Level I Selected General References

Candidates are NOT permitted to bring references into the test center.

The following publications can provide some of the job knowledge required by an electrical power testing technician. While these books may help you prepare for the exam, they are NOT permitted in the test center.

- 29 CFR 1904: Recording and Reporting Occupational Injuries and Illness. Occupational Safety & Health Administration.
- 61-520 3 Phase Motor Rotation Tester Instructions. Ideal Industries.
- Basic Life Support for Healthcare Providers, American Red Cross.
- Chemical Eye Burn Treatment. Scott Keller, M.D., and WebMD.
- Confined Spaces. Occupational Safety & Health Administration.
